Pick Green '60'

8/13/58

Dear Rick,
We first give it
for life. I think it would
be words this situation would
have been a greater blessing.
I suppose that if it weren't
for you, I'd be back in Denver, better
old sun, and talking to & over my male problems.
I did meet you (and how!) and I'm not in Denver (thank
Heaven) and in two more days I'm going
bad way. Well, eat vita! or so amour, whichever.
Again, if you didn't own a canoe, I might
never have run into you (unless I, by chance, discussed
over your new red Keely skins out at Winter Park, and
you ceased at me in your irresistible voice and I
came to apologize) and then I would have spent a
very dull year (rather summer) at the lake.
The times we had together this summer
were wonderful. (I hope you understand how
hard it is to express these things in words.) Still
be very hard to forget the miniature golf, the movies,
that fabulous Lake Lawn dance. I've never had
a more wonderful time at a dance in my whole
life. You are a great dancer, by the way. I'm going
to have to learn how to follow your lead dances
to patterns. Do you remember that C regatta
in Delaware? We were Joe + Mary
Collegiates? That was on
Wednesday + Thursday.
Then we painted
your house
and I ~
(back)

H. Rick

Even though our lunch table was unbearably crowded, it was still lots of fun, wasn't it? Maybe we can do it again next year (I must be crazy to want to get in that mess again.)

It was fun at O'Henry's the other night. Thanks a lot. I always felt out of it because I didn't know what O'Henry's was. Now, (thanks to you) I feel "in it".

I'm sorry if you think I laugh at you all the time because I DON'T! (just sometimes). Also, I'm sorry I can't keep my balance very well. (do ya' know what I'm talking about?)

I'm glad you and Bev hit it off so well. She was so neat that I certainly don't wonder why you did. This summer when she comes up I'll let you know, cause I'll have to fix her up with dates.

Do good in all you do and you'll go a long way, Rick.

Love,
Karen (Zink)

"Life Is Before Us"

Looking back on four years in Hinsdale Township High School, the seniors have experienced continuous changes in the student body, the faculty, and the building.

As freshmen, the Class of 1958 observed a new wing being built to provide new mathematics and history classrooms. When they were sophomores, the seniors saw a water tower rise directly south of the school. This year, they have been assured by the support of the qualified voters of the district that more classrooms and a swimming pool will be completed by 1959. These new facilities will be enjoyed by students for years to come.

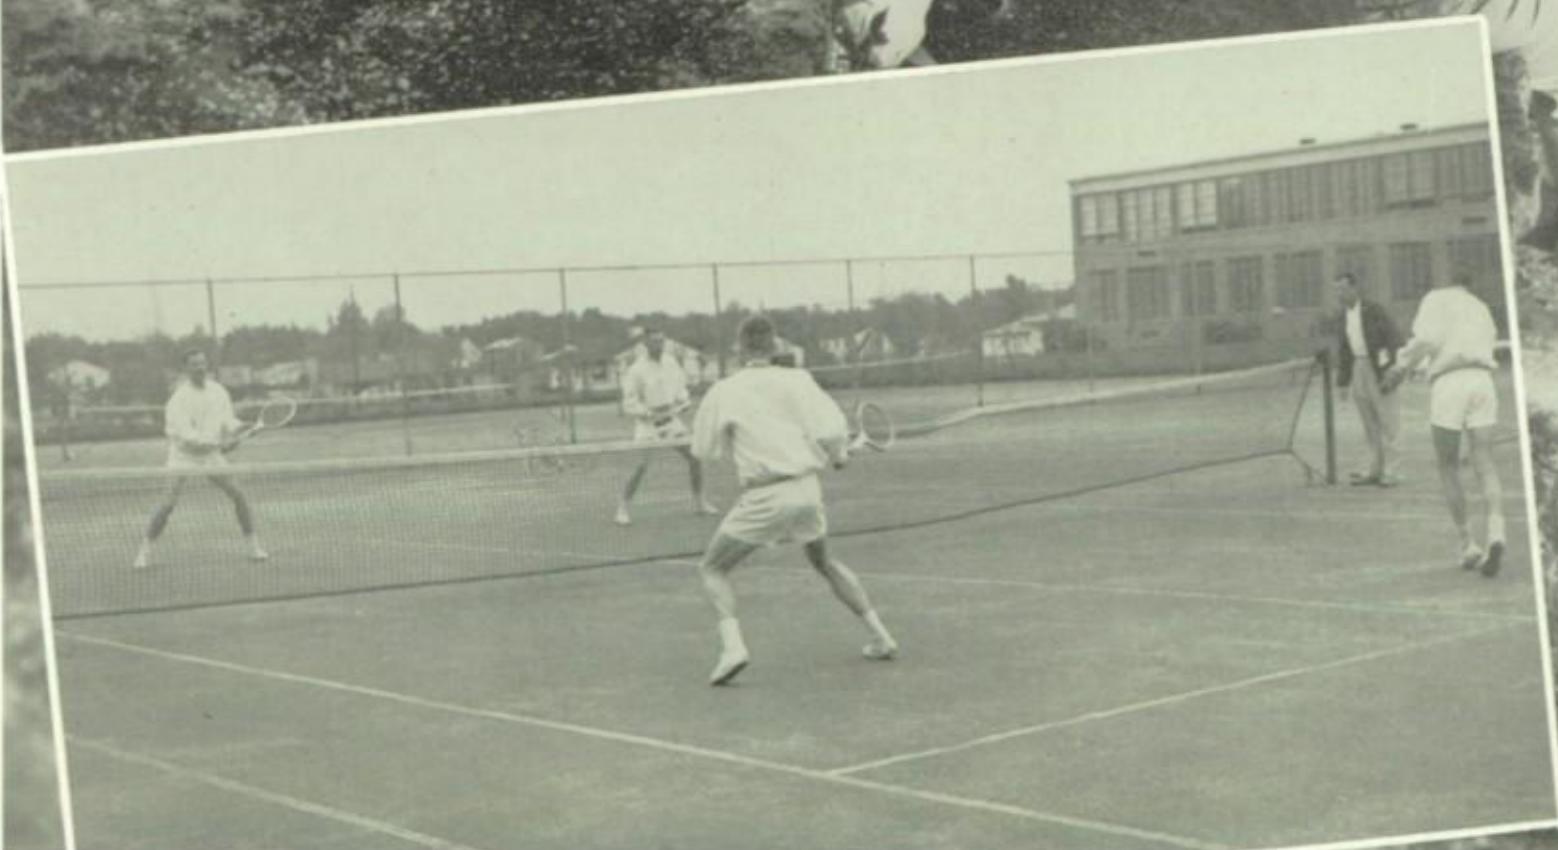

Contemplating their future, seniors are entertaining thoughts of college, work, and marriage. Each member of the graduating class will take that course for which he is best suited and in which he is most interested. Opportunities will be forthcoming, for this is the pattern of Life.

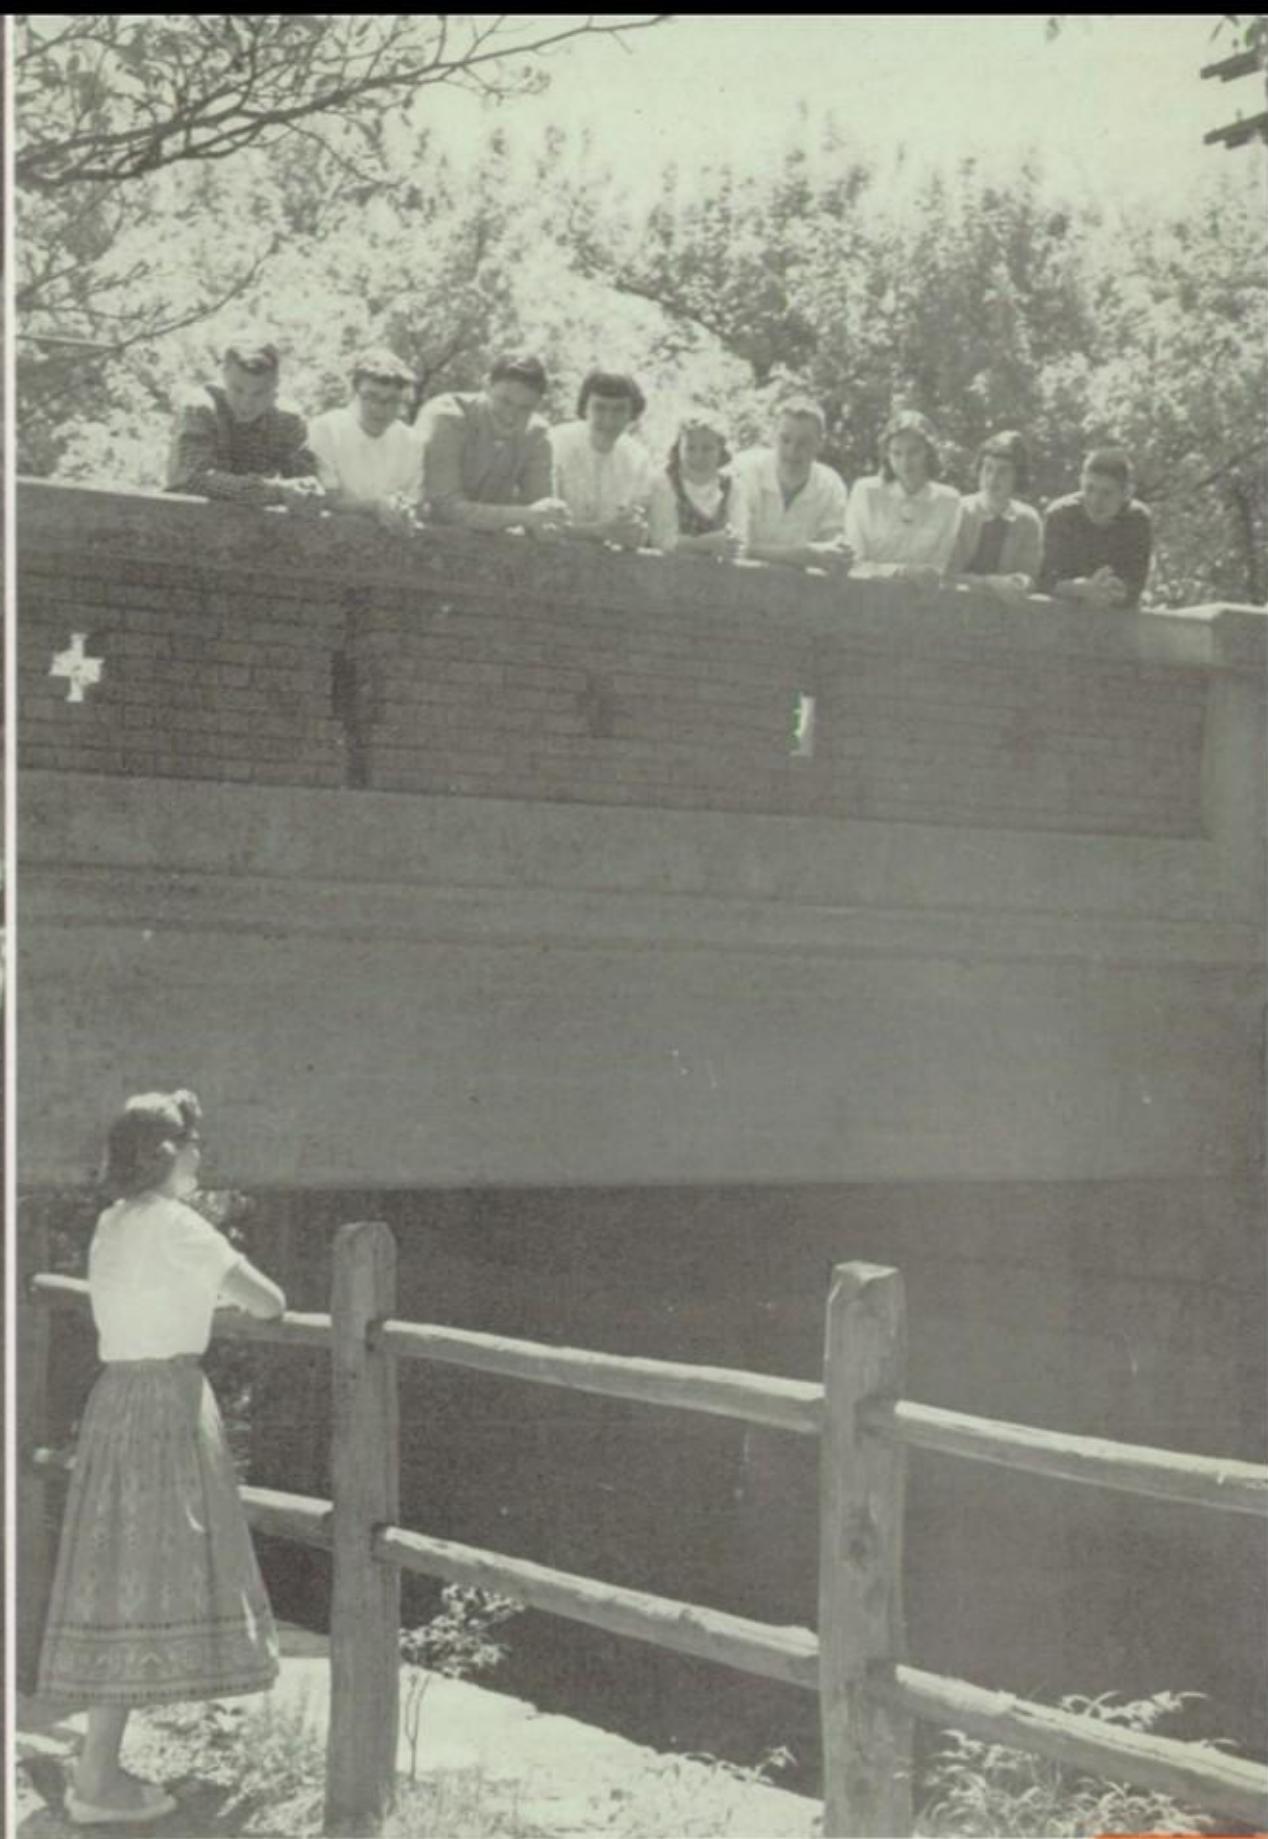

Life lies ahead. Whatever the graduates do will affect them not only as individuals but also as members of society.

HINSDALE
TOWNSHIP
HIGH SCHOOL

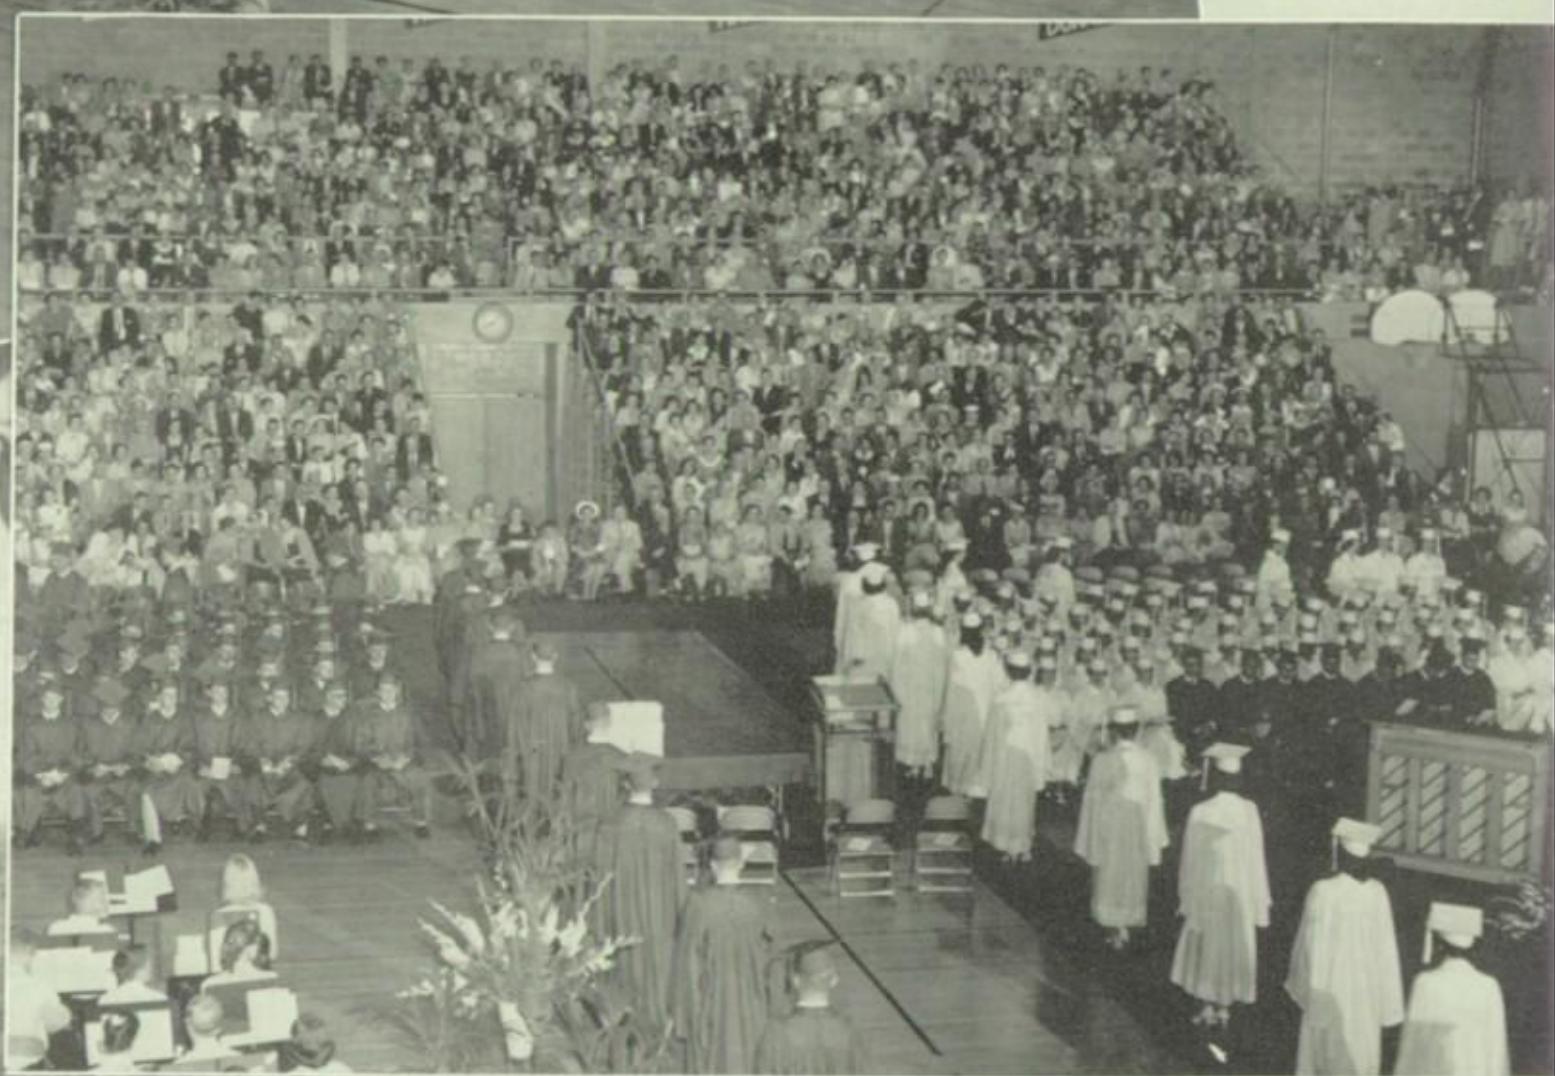

*Life at HTHS has
been an inspiration . . .*

The warm friendliness of the student body;
the playing courts;
the moments of quiet reflection—
all these have marked the spirit of
Hinsdale Township High School.

Learning has been a goal...

Time effectively spent is amply rewarded in the feeling one has in accomplishment. Graduation has become a symbol of the philosophies discussed, the themes written, the buildings planned, the paintings produced, and the practical arts pursued.

Student Council

The Hinsdale Student Council is an all-school organization whose responsibility is to provide opportunities for the exercise of good citizenship in a democratic society. The main purposes of the Student Council are to govern student activities, to promote good feelings between the faculty and student body, to provide students with an active part in student government, and to promote inter-school and school-community relations.

The Student Council Board is the nucleus of the Student Council; it is the job of this Board at each weekly meeting to act on ideas submitted by students following discussion in homerooms. Suggestions are those involving projects for the betterment of the school as a whole.

The Board is made up of the five annually elected officers (Baird Smith, president; Preston Davis, vice-president; Donna Zimmerman, secretary; Mike Garber, treasurer; and Denny Downing, social chairman); the four class presidents (John Chapman, senior; Patricia Lindsay, junior; Tom Chapman, sophomore; and Bob Parsons, freshman); and the five members-at-large (Lynn Dilworth, senior, Bob Heller, junior; Karen Zink and Dick Holmberg, sophomore; and Margot Telling, freshman). The sponsors are Miss Helen Hadish, Miss Carolyn Wagner, Mr. Marlowe Hartzer, and Mr. Charles Meyers.

Student Council is a member of subdistrict, district, state, and national Student Council associations and is very active in each one. Student Council conventions on all levels are attended by Hinsdale students chosen from the student body. Hinsdale Student Council representatives at conventions frequently lead group discussions or pertinent student activities or problems or are members of panels.

The Student Council is in charge of the used book sale in the fall, Freshman Initiation, Homecoming, the Variety Show, Student Council elections, and many social hours.

Senior Math Club

Belonging to the Senior Math Club is much like taking an extra course in mathematics. However, there is no homework, no testing, and no credit. The members of the club decide what topics they want to cover and the sponsor, Mr. Reino Takala, plans the curriculum accordingly. The club meets every week for another session in higher mathematics.

“Hanging of the Greens”

It has been a custom since HTHS had its first class to decorate the school at Christmas. Monitors and Student Council Board members have observed the annual custom of providing a beautifully decorated tree outside the Community Room.

Many classrooms likewise have a tree in keeping with the clubs or classes that meet there. There is always a “book” tree outside the library. This is a beautiful ever-green decorated with “cones” made of book jackets.

In keeping with the Christmas traditions, the music department presents an assembly before school closes for the Christmas vacation period.

Stenos Club

Stenos Club is made up of the girls from the advanced typing and shorthand classes. The purposes of the club are to promote interest in typing and shorthand and to further the business experience of the girls. One of the annual highlights of the club is the Christmas party. Each year there is a field trip to some place of business interest.

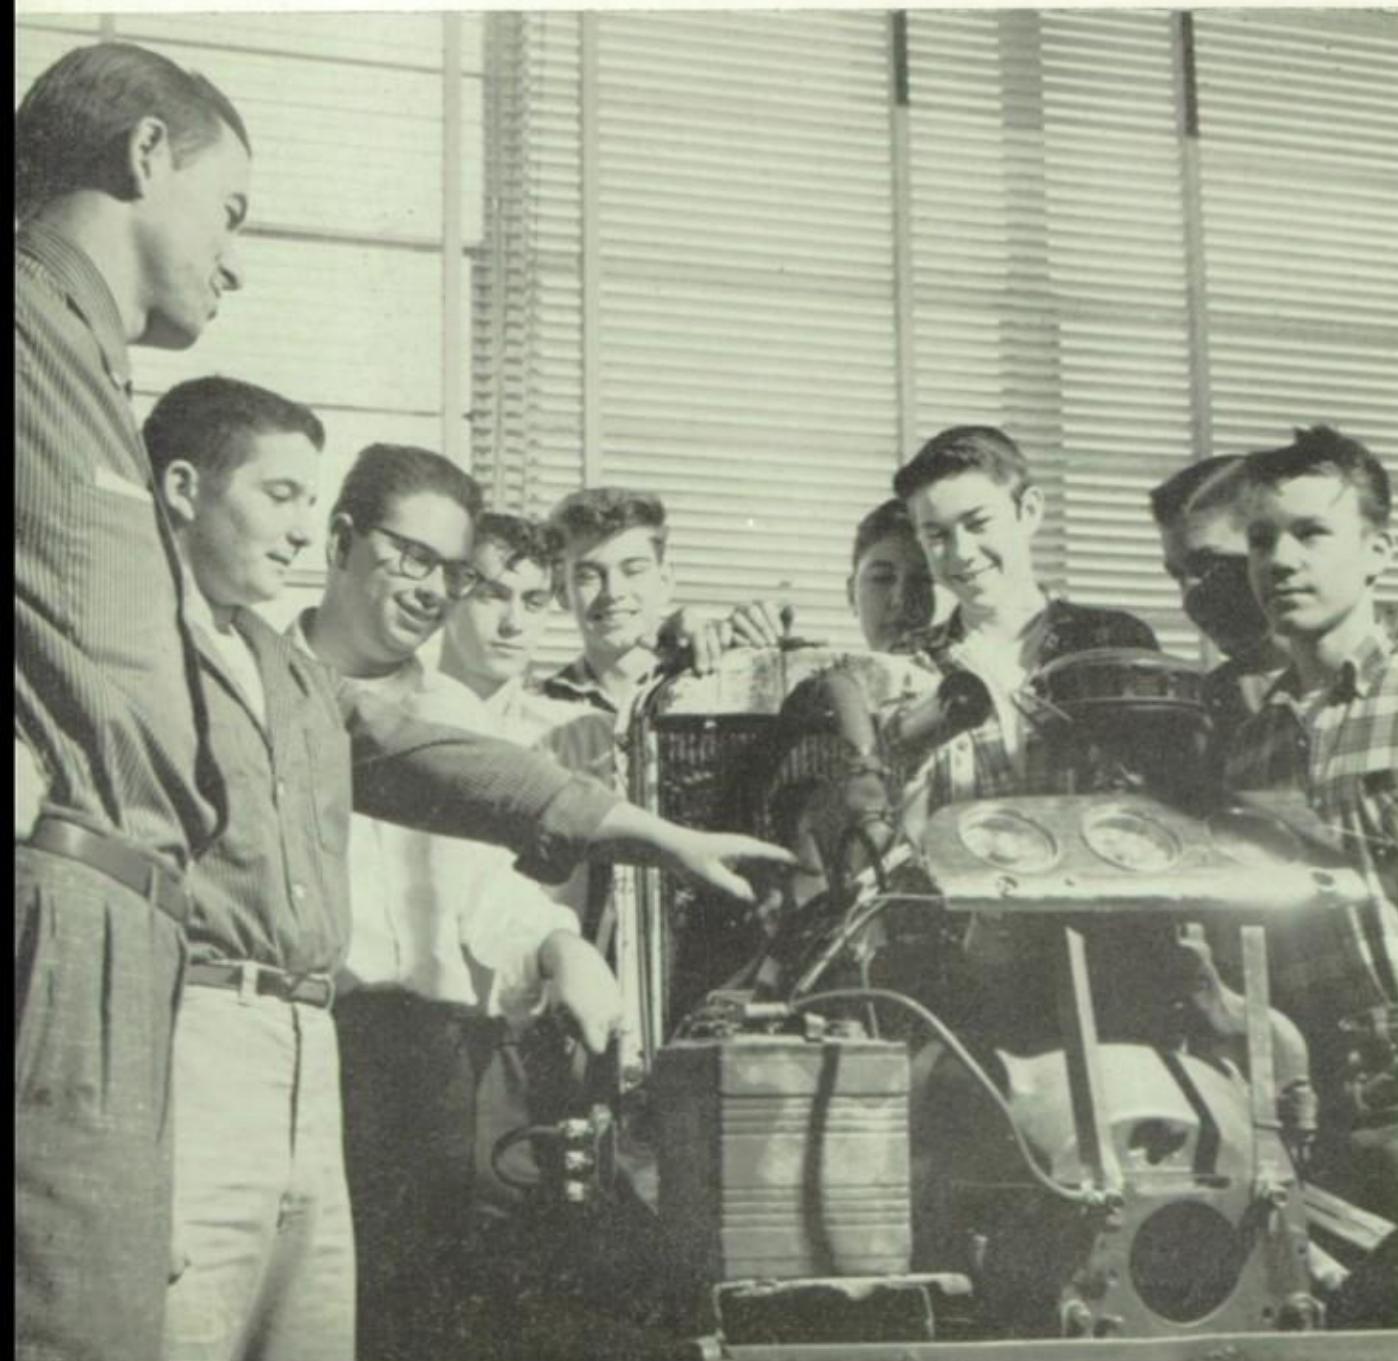

This year's officers were: President, Carol Unnerstall; Secretary, Marcia Labinski; Treasurer, Penny Nicholl; Social Chairman, Barbara Herceg. The faculty sponsor is Mrs. Naomi Lindon.

To give leadership training under supervision of the instructor, Mr. Zedrow, is the purpose of the Foremen organization. The boys in this activity give up their study halls to help Mr. Zedrow run the shop effectively by checking and issuing tools and supervising students in safety measures. This group takes field trips to industrial plants to learn industrial procedures which cannot be taught in the classroom.

Girl Reserves

Girl Reserves, H.T.'s largest girls' club, is a service organization. During the year G.R. sponsors charity projects such as cookie bakes for hospitals, food drives, charity drives and other worthwhile projects, but G.R.'s main activities are the winter formal and the spring bazaar and style show. These annual events, so greatly anticipated by the entire school, are held to raise money for scholarships for deserving senior girls. G.R. fills up the calendar with new and interesting events such as big and little sister parties, interest meetings, and school assemblies to make the years in high school more worthwhile and more fun. The sponsors are: Miss Wilma Hasemeyer, Miss Jane Reimbold, Mrs. Roma Brown, Miss Ann Delicate, and Miss Barbara Gariepy. This year's board members are: Mary Kay Burpee, president; Bette Clark, vice-president; Barb Cryor, treasurer; Kay Lee Poppenhager, secretary; and Jackie Buttler, social chairman.

Senior Girls Vocational Board - FJA

Senior Girls Vocational Board

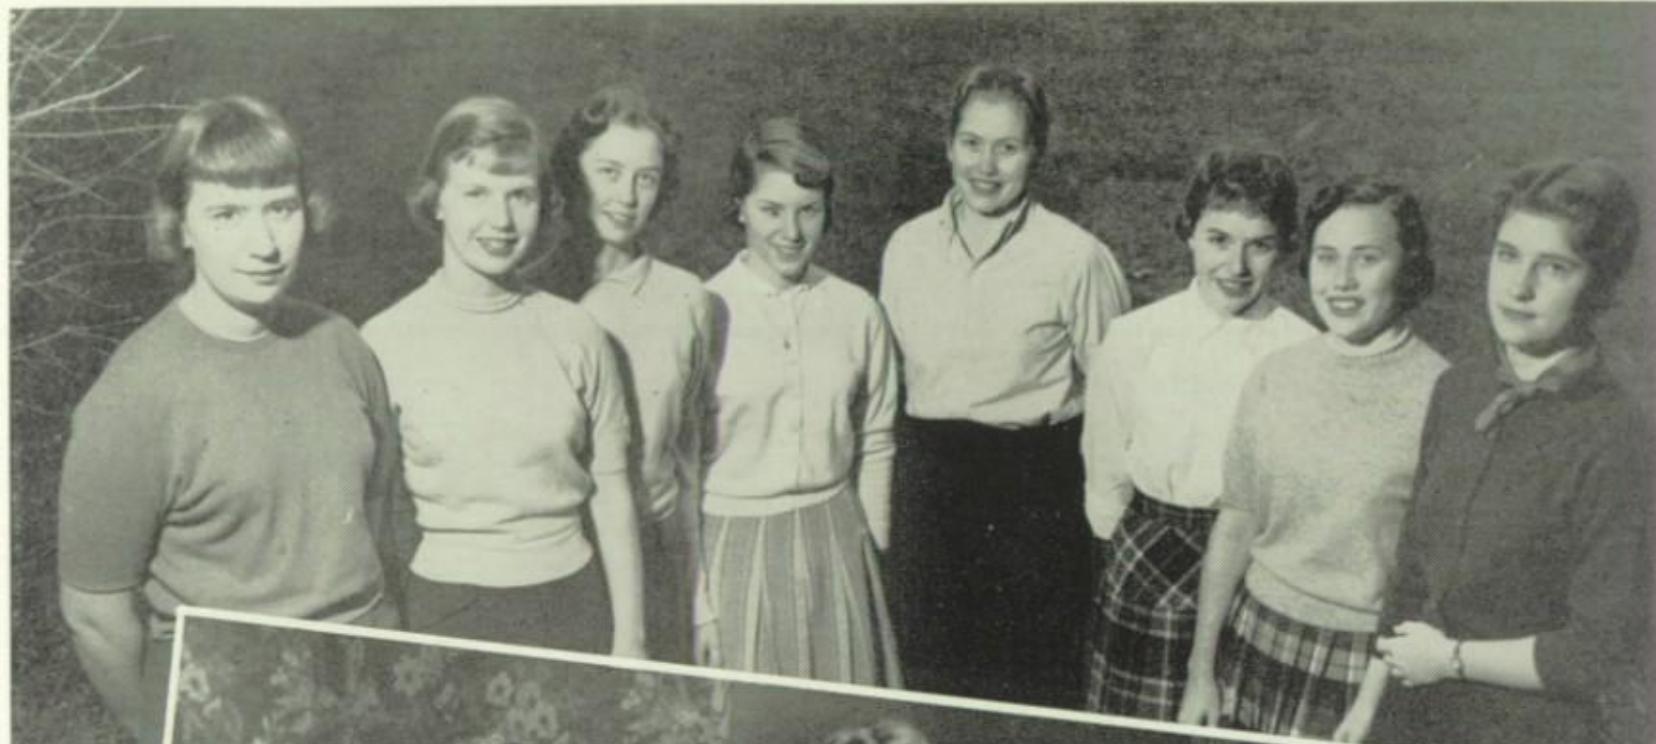

Under the sponsorship of Mrs. Ruth Osborne, the Senior Girls' Vocational Board helps all senior girls become familiar with vocational work in which the group as a whole expresses an interest. Throughout the school year the girls on the board plan and present programs in various vocational fields such as business, education, nursing and science, and homemaking.

FTA

Among the many activities of FTA this year, there have been field trips, lectures, films, and getting acquainted with teaching as a career. This club is mainly for girls interested in teaching as a profession. FTA is sponsored by Mrs. Florence Cox and Miss Barbara Gariepy. Officers for this year have been Pat Chambers, president; Karen Harnisch, vice-president; Lynn Temple, secretary-treasurer; Cathy Cooper, publicity chairman; Rita Myrant, ways and means chairman; Pat McCracken, social chairman; and Lynn Mailfald, art chairman.

Library Assistants

The students who give up their study period or time before and after school to work in the library are of great aid to the librarian. It is their job to help check out books, to re-shelve books, and to find materials for students. They work under the direction of Miss Jean Nelson and Mrs. Lois Lackore.

They are judged on their pep, voice, co-ordination, and presentation of the cheer.

At the completion of each year, the girls receive a certificate and a bar certifying they have completed a full year of cheerleading. If a girl is a cheerleader all four years, she also receives a letter.

Varsity Football

The Red Devils of HTHS again placed high in the WSC with a tie for second place with LaGrange. Coaches Harvey Dickinson, Robert Thomas, Jack Stickles, and Robert Trevarthen were not at all disappointed in the showing of this fine team although they actually ended up one notch lower than last year's squad.

They opened their season's play by running Joliet ragged 48-0. They went on to down Glenbard 25-6, and to shut out LaGrange 13-0. The night game with Arlington Heights was lost 20-14, but the Devils bounced back by whipping Riverside-Brookfield 30-6 on Homecoming. York was next to fall 32-0. The most important game of the season against undefeated Maine was lost by the slim margin 18-13. The season's play was climaxed by beating Downers Grove 25-0. The Devils' total points for the season was 200 as compared with their opponents' 50.

All Conference players were: Norm Chimenti at center, Tony Carmignani at half-back, Dan Przybyla filling the quarterback spot, and Sandy Walton at tackle. Honorable mention went to end Ernie Treptow and halfback Dick Kalicki. Norm Chimenti was named the most valuable player and he was elected to the All State Football squad.

Frosh-Soph Football

The Imps of '58 fought their way to a 5th place standing in the West Suburban Conference with 4 wins, 3 losses, and one tie. The boys worked hard under the fine coaching staff of Russell McCarthy, Larry Hoff, and Dale Foster.

In their opening game they swamped Joliet 24-6, but lost their first conference game to Glenbard 7-0. They came back by tying a tough LaGrange team 13-13, and trouncing Riverside-Brookfield 33-13 Homecoming. The Imps stayed on the winning track by shutting out York 18-0, and upsetting Maine 18-13. In the final game they lost a heartbreaker to Downers Grove 14-13.

Outstanding players who are expected to join next year's "Red Devil" squad in their fight for another conference title are: Joe Simonini, Vic Dutkovich, and Ron Sinkuler.

Freshman Football

Due to the large number of freshmen who went out for football it was necessary to organize an A team and a B team so that more boys could actively participate. Coaches Clare Riessen and Paul Atkinson were very proud of the records of both teams. The A team won 6 and tied 1 while the B team won 5, lost 1, and tied 1. Some 61'ers who will form the nucleus of next year's frosh-soph squad are: Harold Brandt, Jerry Kucera, Jim Carmignani, Jim Flynn, and Terry Rustoven.

Wrestling

Varsity Wrestling

Hinsdale's Varsity grapplers were under a disadvantage early in the season due to injuries, but placed fifth in the Conference with two wins and four losses while totaling a four and ten seasonal record. Coach Trevarthen's top men included Tom Connit, Dick Kalicki, Bob Wayt, Dean Sammons, and Tom Litvay

Frosh-Soph Wrestling

The Frosh-Soph matmen had fought to a 7-6-1 record at the time this yearbook went to press. Coach David Hunt felt that injuries to key men halfway through the season were a definite handicap to the squad as a whole. Dave Clark took first place in the Reavis Frosh-Soph Tournament.

Varsity Basketball

Hinsdale's Varsity cagers, coached by Larry Hoff, had fought to a fifth place standing in the Conference which was one of the tightest in many years, at the time this copy went to press. The Red Devils had won ten and lost nine thus far this season and had the differences in scores for six of their matches totaling only nine points. Bob Celusta and Tony Carmignani topped the Hinsdale scoring column throughout the season. HT has high hopes for a championship team next year with the success achieved this year by the Juniors.

Bob Gretel

The Imp cagers had a lot of hard luck in the '58 season and were holding down last place in the Conference, having won only one out of nineteen games at the time this copy went to press. Coach Karl Randall's squad lacked both height and experience but worked and played hard throughout the season.

Freshman Basketball

Front: T. Rusthaven, F. Kveton, H. Flynn, K. Ostrum, T. Talley, J. Munn.

Back: K. Pielet, J. Bohnen, R. Kilander, M. Greco, Coach Jack Stickels, F. Krohn, J. McAlpin, W. Niemann, R. Parsons, J. Ware.

Coach Jack Stickels' Freshman Basketball Squad had a good season in '58. At the time this edition of the yearbook went to press they had chalked up six wins and seven losses with a three and two record in conference play. The team seems ready, willing, and able to step into the role of HT's Imps next year. Bob Parsons paced Hinsdale's attack during the season's competition.

Track

The HT track team under the training of Coach Russell McCarthy had a successful 1957 season, placing high in the Wheaton, District, and Conference meets. The leading pole vaulter on the '57 squad was Bill Keel, who vaulted 12 feet or better five times to break three standing records and to tie for first place in the State meet. Other outstanding trackmen were: Dave Mann in the pole vault and broad jump; Howard Eggert in the 880 yard run.

Tennis

The 1957 tennis team successfully completed another highly outstanding season with the varsity team setting two new West Suburban Conference records, one by scoring a 50-0 total, and the other by never dropping a single set. "Riessen's Racketeers" swept the district for HT's sixteenth straight title and went on to win the State Championship. Marty Riessen fought his way to fame by being the first freshman ever to win the State singles title and the first person to complete a season without losing a set. John Fischrupp and Don Thorne played magnificently to win the Illinois doubles championship. Other fine varsity players were Dick Pease, Brooks Goddard, Rick Emerson, and Paul Fairchild. Coach Clare Riessen will undoubtedly continue to develop champions.

Baseball

The 1957 Varsity Baseball team, under the fine coaching of Bob Thomas, slugged their way to a 7 to 7 record and a three-way tie for fourth place in the West Suburban Conference. The team's superb hitting counteracted their weakness on the mound. All-Conference players were Bill Walberg, Emmit Murphy, and Al Hart.

Golf

Coach Russell Poppenhager was very pleased with the '57 Varsity Golf team which placed second in the district with 317. They were co-champs of the West Suburban Conference with Downers Grove with a total score of 312. Medal winner Joe Pfeiffer along with Ben Yort, Terry Alexander, Don Fullerton, Tom Wise, Les Parker, Dave Evans, Bob Colvin, and Bob Wakefield made up this well balanced team.

The Frosh-Soph team did equally well, with a 249 total — the score of the three members of the team who played. The players contributing to HT's success were: John Finch, Dick Rotan, Dennis Keller, Fred Lauerman, Sandy Olson, Mike Garber, Bill Haarlow, and Charles Hurd.

Freshman Governing Board

For every thirty eighth grade students entering HT in the fall, one person is elected to represent this group on the Freshman Class Governing Board. If some "feeder" schools have less than thirty but more than five students, they too elect one person to represent them on the Governing Board. The elections take place in the spring of the year preceding the entrance of the class into HT.

Sophomore Class Officers

Winning Honorable Mention for its Homecoming float and holding an annual class party were highlights of the sophomore year which saw the majority of the class participating in activities, athletic events, and scholarship competition.

Nic Rich,
This sure has
been a swell year. We
didn't have any classes
together this year, but maybe we'll
next. I'll never forget the job
we had at Henry's Dancer. Best of
being such a lewesey you do. - Renee
